

RESEARCH AND PUBLICATIONS

1. Farrell R, Liauw W, Brand AH. 2018 Ovarian cancer surgery In Australia and New Zealand: A survey to determine changes in surgical practice over 10 years. Accepted for publishing *Int J Gynecol Cancer Feb 2018*.
2. Chen BJ, Byrne FL, Farrell R, Janitz M et al. 2018, 'Analysis of the circular RNA transcriptome in endometrial cancer', *Oncotarget*, vol. 9, pp. 5786 - 5796,
3. Chen BJ, Byrne FL, Farrell R, Janitz M et al 2017, 'Transcriptome landscape of long intergenic non-coding RNAs in endometrial cancer', *Gynecologic Oncology*, vol. 147, pp. 654 - 662,
4. Farrell R, Dixon SC, Carter J, Webb PM 2017, 'Lymphadenectomy in Early-Stage Intermediate-/High-Risk Endometrioid Endometrial Cancer: Clinical Characteristics and Outcomes in an Australian Cohort', *Int J Gynecol Cancer*, vol. 27, pp. 1379 - 1386
5. Janda, M, GebSKI V, Davies L, Farrell R, Obermair A et al. Effect of total laparoscopic hysterectomy vs total abdominal hysterectomy on disease-free survival among women with Stage 1 endometrial cancer. *JAMA* March 2017 ;317:12:1226-1233
6. Farrell R, Dixon S, Carter J, Webb P. Lymphadenectomy in early stage high-risk endometrial cancer: clinical characteristics and outcomes in an Australian Cohort. *Masters of Surgery Thesis Dissertation, 2014, University of Sydney*.
7. Farrell R, Hacker N, GebSKI V. Quality of life and the role of sentinel node biopsy in the treatment of early vulvar cancer. *Int J Gynecol Cancer* 2014 May;24(4):813-9
8. Hacker NF, Barlow EL, Surrency J, GebSKI V, Farrell R, Robertson G, Friedlander M, Jackson ML. Primary surgical management with tailored adjuvant radiation for stage IB2 cervical cancer. *Obstet Gynecol* 2013; 124:4:765-72
9. Rawson R, Harris M, Farrell R and Loo C. Adenoascoma of the uterus responsive to hormonal therapy. *Pathology* 2013. 45:S113
10. Kondalasamy-Chennakesavan S, Janda M, GebSKI V, Baker J, Farrell R, McCartney et al. Risk factors to predict the incidence of surgical adverse events following open or laparoscopic surgery for apparent early stage endometrial cancer: Results from a randomized controlled trial. *European Journal of Cancer* 2012;14:2155-62
11. Obermair A, Janda M, Baker J, Kondalsamy-Chennakesavan S, Farrell R, GebSKI V. et al Improved surgical safety after laparoscopic compared to open surgery for apparent early stage endometrial cancer: results from a randomised controlled trial. *European Journal of Cancer* 2012; 48 (8) :1147–1153.
12. Janda M, GebSKI V, Brand A, Farrell R, Obermair A et al Quality of Life after Total Laparoscopic hysterectomy versus Total Abdominal Hysterectomy for stage 1 endometrial cancer (LACE); a randomized trial. *Lancet Oncology* Volume 11 2010, Issue 8, p. 772-780.
13. Chua TC, Robertson G, Liauw W, Farrell R, Yan TD, Morris DL Intraoperative hyperthermic intraperitoneal chemotherapy after cytoreductive surgery in ovarian cancer peritoneal carcinomatosis: systematic review of current results. *J Cancer Res Clin Oncol*. 2009 Dec;135(12):1637-45. Epub 2009 Aug

14. Farrell R., and Hammond I. Preventing Gynaecologic Cancer in High Risk Women *RANZCOG O and G*, Spring Issue, 2007
15. Farrell R, Scurry J, Otton G and Hacker N.F. A Clinicopathological Review of Malignant polyps in stage 1A carcinoma of the endometrium. *Gynecol.Oncol.* 2005 Aug, 98(2):254-6
16. Sonnabend D, Farrell R. The Clinical Role of Shoulder Ultrasound. *Aust N Z J Surg* 1997 Sep., 67 (9): 630-633
17. Gestational Trophoblastic Disease. In *Obstetrics and Gynaecology: An evidence based guide 2nd edition*. 2014. Abbott, Bowyer and Finn (Ed). Chatswood, NSW, Churchill Livingstone.
18. Farrell R. The Uterus: Review. G Coukos and S Rubin. *Cancer Forum* November 2006.

National/International Meeting Presentations

Peritonectomy and HIPEC for Ovarian Cancer in Australia and New Zealand
ANZ Peritoneal Malignancy Conference, Sydney 2018

St George Experience of Peritonectomy and HIPEC for Ovarian Cancer
ANZ Peritoneal Think Tank Conference, Sydney 2017

Tumour Board, ANZGOG, Sydney 2016

Lynch Syndrome and Gynaecological Cancer. Living with Lynch Conference, Sydney, 2014

Lymphadenectomy in early stage high-risk endometrioid endometrial cancer: clinical characteristics and outcomes in an Australian Cohort. IGCS 2014, Melbourne

Lymphadenectomy in early stage high-risk endometrial cancer: clinical characteristics and outcomes in an Australian cohort. ANZGOG Canberra 2014

Surgical Management of Obstetric Haemorrhage. Third Epworth Clinical Institute of Obstetric and Gynaecology Symposium, 2012. Melbourne

Surgical Obstetrics: Do you need a Gynaecological Oncologist? The Complicated Pelvis Meeting. Perth 2011

Follow up of Gynaecological Malignancies. ASGO Queenstown 2011

A Clinicopathological Review of Malignant polyps in stage 1A carcinoma of the endometrium. ASGO. Queensland 2006

Winner of Keith Free Prize for Best Fellows Presentation

Quality of life and the role of sentinel node biopsy in the treatment of early vulvar cancer. ASGO Singapore 2004

Winner of Keith Free Prize for Best Fellows Presentation
